

## Policy Documents for Contracted Outpatient Sites of Care

The Contractor is required to meet VHA performance and quality criteria and standards including, but not limited to, access, customer satisfaction, prevention index, chronic disease index and clinical guidelines. Performance and quality standards may change during the contract. New or revised quality/performance criteria or standards will be provided to the Contractor before implementation date and throughout the life of the contract through unilateral or bi-lateral modifications, as applicable. Copies of current VA and VHA publications can be located at <http://www.va.gov/vhapublications/> or at <http://www.va.gov/vapubs/>. Compliance with mandated performance is required as a condition of this contract. Contractor shall comply with all relevant VA policies and procedures, including those related to quality, patient safety and performance, including, but not limited to, the following:
